ARRÊTE

Article 1 : Le 03/10/2022, le stationnement des véhicules est interdit face au n°14 RUE HECTOR BERLIOZ (Besançon) et face au n°18 RUE HECTOR BERLIOZ (Besançon) sur 20 mètres. Par dérogation, cette disposition ne s'applique pas aux véhicules de déménagement. Le non-respect des dispositions prévues aux alinéas précédents est considéré comme gênant au sens de l'article R. 417-10 du code de la route et passible de mise en fourrière immédiate.

Article 2 : La signalisation réglementaire conforme aux dispositions de l'Instruction Interministérielle sur la signalisation routière sera mise en place par le demandeur.

Article 3 - Voies de recours :

Tout recours contentieux contre le présent arrêté peut être formé auprès du Tribunal Administratif de Besançon dans les deux mois suivant la publicité de l'arrêté.

Article 4 : M. le Directeur Général des Services de la Ville de Besançon est chargé de l'exécution du présent arrêté qui sera publié au registre des arrêtés sur le site internet de la Ville conformément à la réglementation en vigueur.

Besançon, le 22 SEP. 2022

Pour la Maire,
Par délégation,

Cédric VOIRIN
Le Chef du Service Exploitation du Domaine Public

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in the context of public administration and financial management. The text highlights the need for a systematic approach to data collection and storage, ensuring that all relevant information is captured and preserved for future reference.

2. The second part of the document focuses on the role of technology in enhancing operational efficiency and data security. It explores various digital tools and platforms that can be utilized to streamline processes, reduce manual errors, and improve communication. The text also addresses the challenges associated with digital transformation, such as data privacy concerns and the need for robust cybersecurity measures to protect sensitive information.

3. The third part of the document discusses the importance of continuous learning and professional development for the workforce. It emphasizes that in a rapidly changing environment, individuals must stay updated with the latest industry trends and technologies. The text suggests implementing training programs and workshops that provide employees with the necessary skills and knowledge to perform their roles effectively and contribute to the organization's success.

4. The fourth part of the document addresses the need for strong leadership and effective communication. It highlights the role of leaders in setting a clear vision, inspiring their teams, and fostering a culture of collaboration and innovation. The text also discusses the importance of active listening and open communication channels, which are essential for understanding the needs and concerns of employees and making informed decisions.

5. The fifth part of the document discusses the importance of risk management and contingency planning. It emphasizes that organizations must proactively identify potential risks and develop strategies to mitigate them. The text suggests conducting regular risk assessments and having a well-defined contingency plan in place to ensure the organization can respond effectively to unforeseen circumstances and maintain its operational continuity.

6. The sixth part of the document discusses the importance of stakeholder engagement and community relations. It emphasizes that organizations should maintain a strong relationship with their stakeholders, including customers, suppliers, and the local community. The text suggests implementing regular communication channels and initiatives that demonstrate the organization's commitment to social responsibility and sustainable development.

7. The seventh part of the document discusses the importance of financial management and budgeting. It emphasizes that organizations must carefully manage their resources and ensure that they are allocated efficiently to support their strategic goals. The text suggests implementing a robust budgeting process and regularly monitoring financial performance to identify areas for improvement and optimize resource utilization.

8. The eighth part of the document discusses the importance of innovation and research and development. It emphasizes that organizations should invest in research and development to stay competitive in the market and develop new products and services. The text suggests creating a supportive environment for innovation, where employees are encouraged to think creatively and explore new ideas.

9. The ninth part of the document discusses the importance of sustainability and environmental management. It emphasizes that organizations should adopt sustainable practices that minimize their environmental footprint and contribute to the well-being of the planet. The text suggests implementing green initiatives, such as energy conservation and waste reduction, and reporting on the organization's sustainability performance.

10. The tenth part of the document discusses the importance of legal and regulatory compliance. It emphasizes that organizations must ensure they are fully compliant with all applicable laws and regulations. The text suggests implementing a robust compliance program that includes regular audits and training to ensure that all employees understand and adhere to the organization's policies and procedures.
